

VOTER TURNOUTS IN THE U.S.

Voter turnouts are heavily affected by age.
Have you registered to vote?

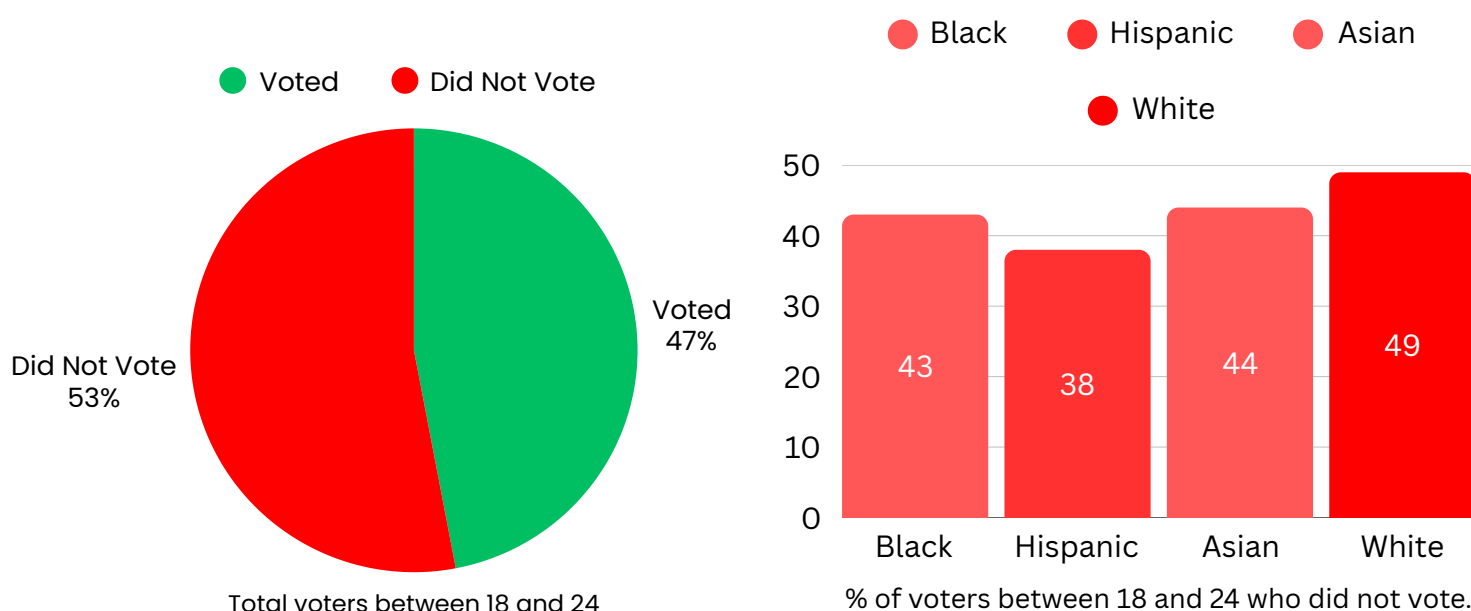

In 2024,

14.4 MILLION

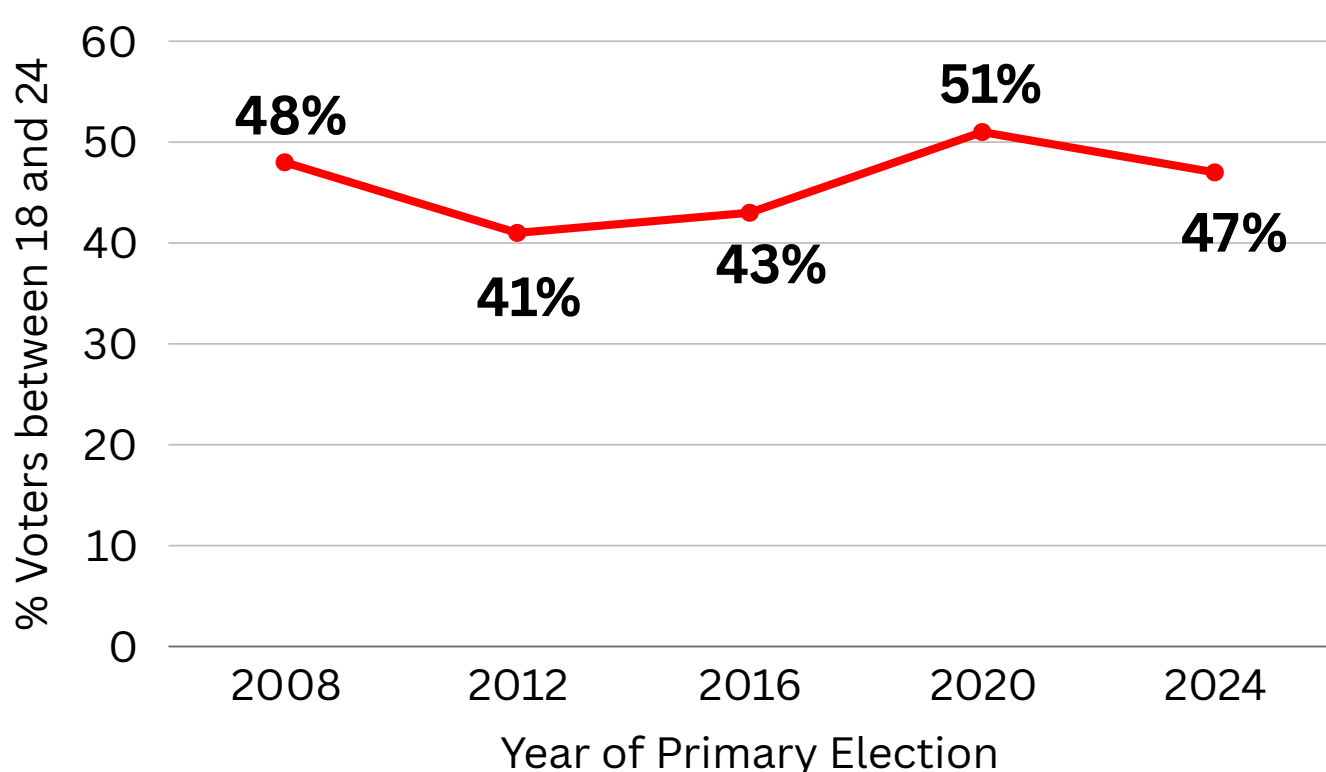

eligible voters didn't vote or didn't respond to surveys about voting.

Age 18 to 24 Voters in the 2024 General Election

Age is a more significant factor than people may realize. This affects all races.

Reported Voters 18 to 24 in Previous Elections

Since 2008, the number of 18 to 24 voters has only risen above 50% **ONCE**, in 2020.

In 2024, just

2.5 MILLION

votes decided the Popular Election!
